Dear Stella,

Did you know that one of the newest economic blocs from Latin America is looking to become gateway to Asian markets? Composed of Chile, Colombia, Mexico and Peru, the Pacific Alliance is pursuing commercial, economic and political interest for integration. This group accounts for more than one-third of Latin America's GDP and exports about 60 percent more than Mecosor bloc.

**Join Us on
March 2, 2017 - 8am-2pm**

at the Mark Taper Auditorium - LA Central Library

as we explore the Goals and Progress of the Alliance.

Continental Breakfast and Light Lunch will be served.
